## **Feedback VS Criticism**

#### REMINDER

- While criticizing the EXEC may be easy, we are much happier hearing constructive suggestions that could improve the league. Members are also always welcome to email exec@pcvc.ca
- The Exec is made up of volunteers that come together and run this non-for-profit organization.

## **Overall Membership**

For a variety of reasons there is always turnover in the membership from season to season.

We are going to need to RECRUIT! If you know anyone who is interested in playing in the league and you think that they would be a good fit, please email <a href="mailto:exec@pcvc.ca">exec@pcvc.ca</a>. We are especially always in need of setters!!!

We will also be sending out a survey to our active members to see who is returning in the fall so that we can figure out how many spots we need to fill for the upcoming season. Please complete the form honestly and in a timely manner.

MEMBERSHIP RENEWAL DATE: June 15th. Fee's will be held at \$300. Like last year, a deposit of \$100 will hold your spot for the Fall/Winter season. A September date will be set to pay the remaining \$200 balance.

## **Topics of Concern Attendance/ "Subs"**

Attendance continues to be a recurring challenge facing our league (which is to be expected in an adult league comprised of individuals.) We've been very lenient in regards to the attendance policy the last 2 seasons. Do we want to consider changing the policy? Does anyone have any suggestions or comments. Our sub-list for "top players" has dwindled this season as we've been plagued by multiple injuries. While we try our best to ensure subs abilities are close to the equivalent of the player they are replacing, this is extremely difficult to guarantee. Sideline subs are always a possibility as long as a team can field a team of 3 men & 1 woman. Do we want to shift towards more of a reliance on sideline subs? Do we want to return to 8 members per team?

Prior to Covid we had an attendance policy in our constitution:

A player must maintain an attendance of 65% for weeks in which the are expected to play.

- Failure to maintain that attendance will disqualify a member from playoffs and in severe cases will lead to a termination of membership at the end of the season.
- A player will went a warning notification via email after they reach 2 absences and will receive a second warning notification via email after 3 absences.
- If a player suffers a long-term injury, medical condition, or justifiable cause as permitted in the PCVC constitution, a member may request a "leave-of-absence" from play. That period they are absent will be exempt from attendance calculation, provided:
  - That they have notified the executive by email in advance of their absence and the reasons. The executive will source a replacement player for the period.
  - The period they are absent is three weeks or more.

#### 3 PLAYERS AND SUBSTITUTIONS

- 3.1 A Legal Team consist of a minimum of four players, at least one of which must be a woman. The maximum number of men on a team is four. The ratio of men to women should not exceed 3:1.
- 3.2 Players are rotated into games (i.e.: not substituted)
- 3.3 A team which has expected to be absent for three or more consecuti.ve weeks is required to notify the executive. If a team cannot field a Legal Team, it is required to notify the executive That team has the option be provided a replacement player.
- 3.4 League members are not allowed to arrange their own replacement. In the event of no substitution regular league rules will apply.
- 3.5 In the event a team has less than 6 players present, it is permitted to use substitute players from the team lining and scoring on that court. The substitute player must be of equal or lower skill to that of the absent player as determined by the exec present at that gym.

### **Proposals**

Playoff Format "NBA STYLE" seeded playoffs

First Round: So the idea would be the #1 and #2 seeds get a first-round bye (reffing) with seed #3 vs. #6 and seed #4 vs. #5 in a one game up to 25 points knockout.

Second Round: The 2nd round would be seed #1 vs. winner of #3 vs. #6 and seed #2 #vs. winner of #4 vs. #5 in a best of 3 up to 20 points each (i.e., start each game at 5-5). Losers of round 1 would ref.

Final Round: The 3rd and final round would be the winners of round 2 in a best of 3 up to 25 points each. Losers of round 2 would ref.

Alternatively could move to a seeded 2 court playoff where top team per court advances to final. This would more closely reflect our "normal night of volleyball, 3 teams per court, play each team twice. 1, 3, 5 on one court, 2,4,6 on the other. These would be 25 point games, hard cap at 25.

#### BANQUET 2025

For next season are people happy with last year's Crooked Cue, apps and drinks and game style format?

Would people like to switch to a sit-down dinner and dancing kinda banquet?

Are members will to pay for this style of sit-down banquet? League would subsidize with our banquet budget but ultimately it'd likely be an additional \$25-\$35 per member

### "Reffing"

Reffing- Following the feedback at last years AGM to "DO SOMETHING ABOUT REFFING" We hosted two reffing clinics that the vast majority of members were able to attend. Overall we hope the majority of members found these clinics helpful and helped reduce the number of disagreements/incidents surrounding how games were officiated this season.
